| Thursday<br>December 8, 2022 | Teleconference | 10:00 am |
|                              |                |          |
|                              |                |          |
|                              |                |          |
|                              |                |          |

*\*Please note that all meetings should be held in the best interest of the Board. Meetings in resorts or vacation areas should not be made. Using Conference areas that do not require contracts and or payment is the best option for the Board. No overnight travel. If an employee chooses a mode of transportation which is more costly than another mode, a Cost Comparison form must be completed. Reimbursement by the State will be made at the lesser of the two costs. Taxi Service should be used for trips within but not over a 10-mile radius. Receipts are required for taxi expenses of \$10.00 and over. Tips are not reimbursable.*
