--------------------	-------------------------

ANESTHESIOLOGY	GASTROENTEROLOGY-HEPATOLOGY Diagnostic ERCP
Cardiac Anesthesia	<ul> <li>Endoscopic ultrasound</li> </ul>
Epidural steroids     ICL are	<ul> <li>Endoscopy with laser usage</li> </ul>
<ul> <li>ICU care</li> <li>Monoment of contract providence in (including last providence including last providence</li></ul>	□ Manometry
□ Management of acute post operative pain (including but not limited to PCA, epidural, spinal, and intrathecal narcotics)	Placement of expandable stents
	Pneumatic dilatation of the esophagus
Minor nerve blocks	□ Therapeutic ERCP (sphincterotomy, stents, biliary dilatatic
Implantation of spinal cord stimulators     Obstatic learned by the second stimulators	Mainly Hepatology Other
<ul> <li>Obstetrical anesthesia</li> <li>Drive medicine (Drive means and the second s</li></ul>	INTERNAL MEDICINE
Pain medicine/Pain management  Pailitatia Association	General Internal Medicine OMT
Pediatric Anesthesia     Terrescue la che (TEE), simple alegement      Other	<ul> <li>AIDS/HIV</li> <li>Arthrocentesis</li> </ul>
□ Transesophageal Echo (TEE) - simple placement □ Other CARDIOLOGY	<ul> <li>Arthrocentesis</li> <li>Bariatric, Weight Loss</li> </ul>
Electrophysiology	Bone marrows
□ Interventional/Invasive	Cardiac stress testing
<ul> <li>Noninterventional/Non-Invasive</li> </ul>	□ Colonoscopy
Pediatric      Other	Combined outpatient and inpatient
COMPLEMENTARY/ALTERNATIVE/INTEGRATIVE MEDICINE	Elective cardioversion
<ul> <li>Alternative medical systems including acupuncture, herbal medicine, oriental massage, qi gong,</li> </ul>	Flexible sigmoidoscopy
Ayurveda, Homeopathy, Naturopathy	□ Geriatrics
<ul> <li>Biological-based therapies including herbal, special dietary, and orthomolecular therapies</li> </ul>	Growth Hormones, Use of Steroids
<ul> <li>Energy therapy including biofield and electromagnetic field therapy</li> </ul>	□ Hospitalist
<ul> <li>Mind-Body interventions including meditation, dance, music, and art therapy</li> </ul>	Infectious Diseases     Intermetation of Halter Maniton
<ul> <li>Manipulative and body-based methods including massage therapy</li> </ul>	<ul> <li>Interpretation of Holter Monitor</li> <li>No inpatient</li> </ul>
$\Box  \text{Other:}$	<ul> <li>Nursing Home Care          Home Care Assisted Living     </li> </ul>
CORRECTIONAL MEDICINE/HEALTHCARE	<ul> <li>Pain medicine/Pain management</li> </ul>
□ W/ CDCR experience □ CDCR currently employed	Peritoneal dialysis
□ W/ County jail experience □ Other	Pulmonary function interpretation
DERMATOLOGY	Skin biopsy
□ Botox, Fillers,	Swan-Ganz
□ Dermatopathology	Thrombolytic therapy
Hair Transplant	Upper endoscopy
	<ul> <li>Urgent Care</li> <li>Ventilator care</li> </ul>
□ Laser surgery □ Liposuction	□ Ventilator care □ QME □ Workers' Comp Evaluations; □ Other
Mesotherapy     MOHS micrographic surgery	NEUROLOGY
□ Special interest in cosmetic procedures □ Other	Epilepsy     Sleep Medicine
EMERGENCY MEDICINE	Thrombolytic treatment of non-hemorrhagic strokes
Emergency Medical Services	OB-GYN
□ Ultrasonography	General Ob-Gyn
Urgent Care Other	Endometrial Ablation
ETHICS	Gynecological oncology
□ Professional Review/Ethics Committee Experience []current []past exp.	□ Gynecology only □ With experience supervisi
ENDOCRINOLOGY	□ High risk pregnancies □ Other
□ Needle biopsy of the thyroid	Reproductive endocrinology and infertility
Needle bone biopsy	Robotic Surgery     Transformer of an internet in the second
FAMILY MEDICINE	<ul> <li>Treatment of urinary continence problems</li> <li>Therapeutic abortions</li> </ul>
□ OMT	OPHTHALMOLOGY
□ Arthrocentesis	□ Cataract □ Retina/Vitreoretinal Surger
Bariatric, Weight Loss,	□ Corneal Surgery □ AIDS Eye
Colonoscopy	□ Glaucoma □ Ocular Oncology (eye tur
$\Box$ C-sections $\Box$ D & C	□ Laser Surgery □ General Ophthalmology
Flexible sigmoidoscopy	□ LASIK □ Other
Geriatric medicine	Neuro-Ophthalmology
Growth Hormones, Use of Steroids,	Orbital and Ophthalmic Plastic Surgery
□ Management of obstetrical patients □ Newborn care	Pediatric Ophthalmology     OPTUOPAEPUCS
□ Nursing Home Care □ Home Care □ Assisted Living	ORTHOPAEDICS <ul> <li>Arthroscopic endoscopic procedures</li> </ul>
Pain medicine /Pain management	<ul> <li>Arthroscopic endoscopic procedures</li> <li>Hand surgery</li> </ul>
Primary Care	<ul> <li>Pediatric specialist</li> </ul>
□ Simple surgical procedures	<ul> <li>Spinal surgery</li> </ul>
□ Sports medicine	□ Shoulder □ Knee □ Joint replacement □ Hip replacem
<ul> <li>Treatment of simple fractures and dislocations</li> </ul>	Sports Surgery
Urgent Care	□ QME □ Workers' Comp Evaluations □ Other
□ QME □ Workers Comp Evaluations □ Other	

HEPATOLOGY	OSTEOPATHIC MANIPULATIVE MEDICINE
	Practice limited to OMM
	OTOLARYNGOLOGY
ge	□ Cosmetic surgery □ Neurotology □ Other
	Cochlear implant Pediatric Specialist
stents	□ General ENT □ Plastic Surgery w/n Head & Neck
e esophagus	PATHOLOGY
cterotomy, stents, biliary dilatation, etc.)	Blood banking/transfusion medicine
□ Other	Bone marrow biopsy     Fire and the conjustice binnerse
OMT	□ Fine needle aspiration biopsy
	Forensic pathology     Other PEDIATRICS
	<ul> <li>Developmental-behavioral pediatrics</li> <li>Hospitalist</li> </ul>
	<ul> <li>Inospitalist</li> <li>outpatient pediatric cases</li> </ul>
	<ul> <li>Dediatric Alternative/Complementary/Integrative Med.</li> </ul>
	<ul> <li>Pediatric genetics</li> </ul>
inpatient	<ul> <li>Pediatric HIV/AIDS</li> <li>Pediatric Infectious Diseases</li> </ul>
	Pediatric intensive care     Other
	PLASTIC SURGERY
	Cosmetic surgery
fSteroids	□ Laser Surgery
	□ Lipectomy □ Liposuction
	□ Hair Transplant
onitor	-
~	Hand Surgery Other     PSYCHIATRY
ome Care  Assisted Living	Addiction Psychiatry
gement	Adult
estation	□ Child and Adolescent
retation	□ Couples therapy □ Group therapy
	□ Epilepsy
	□ Forensic psychiatry
	Geriatric Psychiatry
	<ul> <li>Pain medicine/Pain management</li> </ul>
	<ul> <li>Psychoanalysis</li> </ul>
Evaluations; 🗆 Other	<ul> <li>Psychopharmacology</li> </ul>
,	<ul> <li>Psychosomatic</li> </ul>
ledicine	treatment with medication
non-hemorrhagic strokes	treatment with psycho-therapy
	With Experience Supervising Psychological Assistants
	□ QME □ Workers' Comp Evaluations □ Other
	□ SLEEP MEDICINE/SLEEP STUDIES
Urogynecology	RADIOLOGY
<ul> <li>With experience supervising Midwives</li> </ul>	Interventional and/or invasive radiology
Other	MRI Mammography
gy and infertility	Neuroradiology Radiation therapy
	Pediatric     Other
nence problems	SURGERY
	Bariatric/Gastric Bypass surgery
	□ Bronchoscopy
Retina/Vitreoretinal Surgery/Uveitis	Cardiovascular
<ul> <li>AIDS Eye</li> <li>Ocular Oncology (eye tumors)</li> </ul>	□ General surgery
General Ophthalmology	□ GI Endoscopy
	Laparoscopic surgery
	□ Laser surgery
astic Surgery	Pediatric Cardiothoracic Surgery
and subory	Pediatric surgery
	Peripheral vascular
procedures	□ Trauma surgery
	□ Vascular surgery □ Other
	Yes No
	□ □ Do you supervise physician assistants?
nt replacement 🛛 Hip replacement	Do you supervise nurse practitioners?
	$\Box$ Do you have special training or use any procedure, practice,
Evaluations	modalities, etc., not listed? If yes, please describe:
