

IMPORTANT UPDATE

As of December 29, 2023, the Board no longer accepts any paper-based applications for the following license types:

- Postgraduate Training License (PTL)
- Osteopathic Physician and Surgeon Certificate/License

Instead, these applications should be submitted electronically through [BreEZe](#).

The switch to a paperless application process helps both applicants and the Board by increasing the efficiency of the review process, enhancing security, and reducing costs and impact to the environment.

To submit these applications online, please visit the appropriate Board webpage for either license type:

- [Postgraduate Training License \(PTL\)](#)
- [Osteopathic Physician and Surgeon Certificate/License](#)

Please allow 30 business days to pass before reaching out to the Licensing Unit to inquire on the status of your application.

Please Note: Any paper-based applications for a PTL or Osteopathic Physician and Surgeon Certificate received by the Board after the above date will not be accepted nor processed and the Board will notify the applicant via mail that they must apply through [BreEZe](#).

If you have any questions about this process change, please contact the Board by phone at (916) 928-8390 or via [email](#).
